

Waltham Forest Community Driving School Five Points to Safety Course

Classroom session and practical in-vehicle training. Highly recommended follow on course to the MIDAS and Passenger Assistant courses.

This course will enable drivers and passenger assistants to:

- Understand and recognise common cause of vehicle fires
- Learn to reduce the risks of vehicle fires
- Take practical steps when dealing with a vehicle fire
- Safely evacuate a passenger carrying vehicle
- Manage vulnerable or disabled passengers in an evacuation
- Manage the emergency until help arrives.
