

Waltham Forest Community Driving School Passenger Assistant Training (PATs)

Nationally recognised standard for training and development of passenger assistants. Certificated and validated for 4 years.

Theory and practical modular training programme tailored to provide passenger assistants with the skills to support clients.

Module A (compulsory)

- Roles and responsibilities of a Passenger Assistant.

Module B

- Assisting passengers who have disabilities, learning difficulties or behavioural difficulties.

Module C 1

- Assisting Children and Young People with special needs.

Module C2

- Assisting adults who require care and supervision.

All courses include:

Disability Awareness. Use of tail lift, use of wheelchair restraints and clamping systems.
